## Serving Better John13:3-17

*The humility required of Christ followers to humbly serve one another comes from a \_\_\_\_\_ and security about our identity in Christ. The more certainty I have in that identity, the easier humble service becomes.*

**Discussion 1. What's the difference between serving in order to prove something to others and serving out of a clear sense of identity in Christ? How do you check your heart in that regard?**

*Humble serving and humbly being served are important to our connectivity to Christ and to one another in the body of Christ. In that sense, \_\_\_\_\_ is a \_\_\_\_\_ from gospel-centered community.*

**Discussion 2. If pride is a distraction from gospel-centered community, what steps can you take toward overcoming it? For you personally, does pride play a part in your ability to receive humble service?**

*During His time on this earth, Jesus was known much more by His \_\_\_\_\_ than by His \_\_\_\_\_; how is it that, today, His followers are known much more by their words than by their actions? And what can we do about it?*

**Discussion 3. Share about a Christian in your life who helped shape you more by their actions than by their words. What kinds of disciplines can help you become a person of action more than of words?**

*When we actually begin seeing others as fellow image-bearers of God, then we can move from just knowing we should humbly serve them to actually doing it. It's all about \_\_\_\_\_.*

**Discussion 4. What kind of person do you have trouble seeing first and foremost as an image-bearer of God? If you could see them that way, do you think it would change how you relate to them?**

**Discussion 5. How does this lesson cause you to pray? How does it prepare your heart for worship?**
