

A Little Glimpse of Heaven Ephesians 1:13-14

*Having doubts and feelings of insecurity regarding my eternity is a natural part of following Christ (it has always been so); but the work of the Holy Spirit in and through me is the clearest evidence of my _____
_____. That becomes clearer over time.*

Discussion 1. When you have struggled with doubts about your relationship with God, what has helped you the most? Is there any particular activity of the Spirit in your life that helps provide you with evidence to battle your doubts?

*In a culture of anger and divisiveness and disorientation, where “truth” feels impossibly lost and anxiety rules the day, what could be more important for a Christ follower than to be able to identify and understand the work of the _____
_____ among us?*

Discussion 2. What is one thing you have learned about the Holy Spirit so far through this Summer Bible study series? What difference does it make in your day to day life right now?

*Christ followers whose entire understanding of “salvation” is about eternity and life after death have missed pretty much all that the Spirit of God has to offer _____
_____. There is so much more.*

Discussion 3. To you, what is the danger of seeing “salvation” as being strictly about Heaven and not about this current life? How do you keep that from happening in your own spiritual walk?

*The spiritual transformation taking place in every Christ follower is ultimately aimed at making everything about us point to Jesus for _____
_____. It is no small transformation.*

Discussion 4. In your own life, is there a particular area the Holy Spirit is working on right now that needs some adjustment in order to better glorify God?

Discussion 5. How does this lesson cause you to pray? How does it prepare your heart for worship?
